368 years

### Main language

#### Spanish

Exchange students must demonstrate a minimum language proficiency of B1  
Double Degree program students must demonstrate a minimum language proficiency of B2

#### English

Exchange students who will take only English taught courses must provide an English proficiency of B2

### Medical Insurance

The international student must have an international medical insurance while studying at Universidad del Rosario.

### Housing

The Vice-presidency of International Affairs won't be able to give housing to students directly. However, we have a preapproved list of possible housing, with estimated costs.

Familias Anfitrionas Program: Exchange students may have the experience to live with a student, a former student, a member of the administrative staff or a professor of Universidad del Rosario. The Vice-presidency of International Affairs will send all the information during the application period.

### Student Associations

Through the organization of different social, cultural and academic activities the association looks to integrate students, in the hopes they feel at home. Along with the UR Mentor program, we seek to help students get acquainted with the University and Colombian cultural traditions, even before their arrival to the country. Every mentor will get in contact with the exchange students before the time of arrival.

IBSA was a student association created by the Business students at Universidad del Rosario. Its main objective is to ensure a smooth integration of the exchange students at the institution.
