CUHKSZ adopts a collegiate system. Colleges are social communities with their own dormitories, dining halls, gyms, music studios, dance rooms and other facilities. All students will be assigned to different colleges so that students with different academic and cultural backgrounds will enjoy close interaction with teachers and grow up with peers at colleges. A tutor will be arranged in each floor and a warden in each block for caring students.

On-campus accommodation is available to incoming exchange/visiting students but cannot be guaranteed due to limited capacities.

Room Type

4-bed dormitory, shared bathroom

Check-out Deadline

last Friday of December for Fall term
last Friday of May for Spring term

Before entering the Chinese mainland, incoming exchange/visiting students at CUHKSZ should purchase an insurance package via <http://www.lxbx.net/>.

Incoming exchange/visiting students cannot register at CUHKSZ without proof of sufficient insurance cover as required.

If the students plan to travel outside the Chinese mainland during their study, it is highly recommended that they should have other insurances covering their travelling durations and destinations.

The X visa is for single entry

If international students would like to visit outside the Chinese mainland during their study at CUHKSZ, they need to apply for a Residence Permit within 30 days upon arrival in China to obtain multiple entries qualification. Detailed information about the application procedure of Residence Permit will be provided after their arrival.
