ONE OF THE BEST UNIVERSITIES OF FINANCE AND ECONOMICS IN CHINA

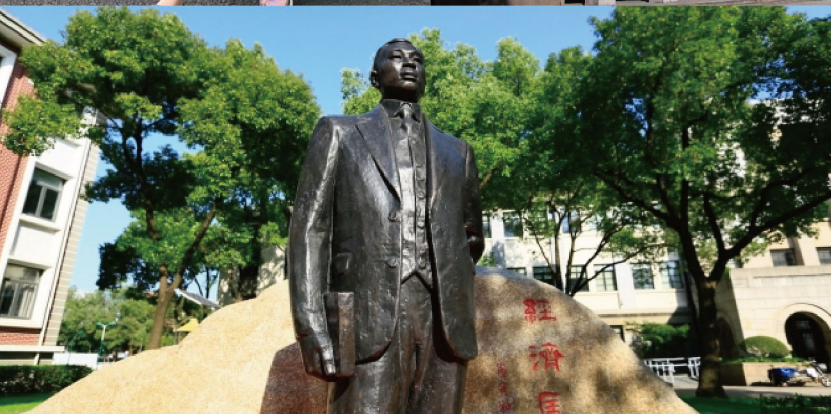

Shanghai University of
Finance and Economics
(SUFE)

UNIQUELY SUFE

Shanghai University of Finance and Economics (SUFU) is not only a flagship university focusing on economics, finance and management in China, but also a throbbing hub of creativity and an inclusive community of explorers, where learning meets the real world challenges and strategy speaks to vision.

A HUNDRED YEAR OF COMMITMENT

SUFE was founded in 1917 by a group of visionaries and pioneers aspiring to restore the prosperity of China through modern education of Economics, Finance, and Business. It was the first of its kind in China's history of higher education. Back then, the majority of SUFE's first faculty members graduated from world leading universities. These scholars made SUFE the forerunner in introducing the cutting edge knowledge in the above fields to China and taking on the challenges that push the boundaries. Their efforts shaped SUFE's defining global perspective that still runs deep in today's Sufers.

SUFE is proud of its legacy yet resolute to be a future maker. With generations of dedicated efforts, SUFE now has become a renowned academic powerhouse where a wide range of topics in humanities, sciences and law and their intersections are passionately explored for the public good. The vision and mission as seen by the founding fathers have always been dearly cherished by Sufers with a renewed understanding as the age demands. As setting off anew for another 100th year milestone, SUFE aspires to raise creative and entrepreneurial leaders with a global outlook and to be a catalyst of knowledge creation and an engine of social advancement.

SUFE is committed to a participative and fulfilling learning experience for students and inspiring and rewarding environment for faculty. Our Programmes, responding closely to the community needs, have built the skills and perspectives of generations of leaders and prominent scholars both for China and the global society. The increasing recognition of our excellence has also enabled SUFE to weave into a wider academic community.

Proud of the 100 year of commitment, SUFE will continue to leverage its values and tradition that have stood the test of time for greater challenges and excellence in future.

LOCATED IN THE MOST COSMOPOLITAN MAINLAND CITY IN CHINA -SHANGHAI

SHANGHAI UNIVERSITY OF FINANCE AND ECONOMICS (SUF) is alive with the vibrancy of its excitement. A rich variety of activities are available for international students in the campus. Outside of it, Shanghai's cultural landscape is as diverse and rich as its physical one. Students will be spoiled for choice between natural attractions, museums, theatres, bars and restaurants.

GLOBAL ENGAGEMENT

Since the very establishment, the unique global outlook has been wired in our culture genes. In 2013, SUFE officially adopted "Global SUFE" as a pillar of the roadmap to international excellence. It touches every aspect of the efforts in global engagement. Ever since then, we have been taking a full spectrum of initiatives to build mutually beneficial partnerships that dissolve national boundaries. Up till now, we boast an ever-enriching network of over 200 partners coming from around 47 countries and regions, including many world top universities and institutions. The collaborative opportunities we offer are diverse covering student exchange, faculty exchange, study abroad program, joint degree programmes, and joint research, to name just a few. Through extensive collaboration and dynamic exchanges, we extended expertise to address issues and challenges of global relevance and to set Sufer up for future success.
