

Guideline for Transfer Credits and Internships for Global MSF Program

Zicklin School of Business
Baruch College

Zicklin does not process transfer credits in the beginning of the program in order to give students flexibility. Our International Program Specialist will work with individual students to process transfer credits when they apply for graduation.

- 1) If a student arrives in the US in the Fall and transfers in 6 credits, s/he does not need to do an internship. A sample plan:

Term	Credits
Transfer in	6
Summer 23	6
Fall 23	9
Spring 24	9
Total	30

- 2) If a student arrives in the US in the Fall and transfers in 6 credits, s/he can still do an internship in the Spring while taking other required credits for the program, but s/he will not have the opportunity to do it in the Summer because s/he will complete all the required credits by the end of Spring term. A sample plan:

Term	Credits
Transfer in	6
Summer 23	6
Fall 23	9
Spring 24	9 + Internship (1 cr)
Total	31

- 3) If a student arrives in the US in the Fall and transfers in less than 6 credits, s/he can do internships in the Spring, Summer, and possibly next Fall. If a student prefers to finish by Summer term, s/he can choose to take other electives along with the internship in the Summer. A sample plan:

Term	Credits
Transfer in	3
Summer 23	6
Fall 23	9
Spring 24	9 + Internship (1 cr)
Summer 24	Internship (1 cr)
Fall 24	Internship (1 cr)
Total	30
