Exchange students are free to combine all available Master's degree course units. We invite you to check [the course database](#) for details on language of teaching, credits, contents and timetables (scroll the page down to see second cycle degree courses).

We strongly recommend you, especially if you are a Bachelor's degree student, to check syllabi for **possible entry requirements**.

OUR COURSE UNITS HELD IN ITALIAN

Exchange students are more than welcome to join our Italian taught courses! Please note, however, that an adequate knowledge of the language is essential for a successful learning experience (a B1 is highly recommended).

You can choose from the course units of the **Bachelor's degree in Economics** ([link to course catalogue](#)). A Master's-level academic offering taught in Italian is also available, with our **Master's degree in Law and Economics/Economia e Diritto** ([link to course catalogue](#)).
