

Thesis process _ Fact sheet a.y. 2020-2021

Subjects:

- mid October 2020: dSEA International Office finds out the dSEA supervisors that will be available to start working to the thesis with DD students starting from Winter 2020;
- beginning of November 2020: Padova students communicate to the dSEA International Office their preferred study area for the thesis research, in relation to the proposed supervisors;
- the selected subject will be communicated to ESC and the final dissertation will be held in Padova only. Once graduated in Padova, the final grade will be communicated to ESC for the French diploma.

Timing:

Option A) Students end the thesis work **before mid October 2021**

In this first case, ESC degree jury will evaluate the thesis in November 2021. The degree ceremony will be in April or May 2022.

In Padova, if the exams will be finished in September-October 2021, the graduation can be in December 2021. Please remember to ask for the "[domanda di laurea](#)" in Uniweb (deadline: around mid October 2021).

Option B) Students end the thesis work **after mid October 2021**

In this second case, you can graduate in Padova in December 2021 or in the following session of 2022. In ESC the degree jury will evaluate the thesis in 2022 and the degree ceremony will be in 2023.
