Who we are looking for

Students and professionals interested in management, entrepreneurship, internationalization and web marketing

Aims

The Professional Course is devoted to train new professional figures applying the concepts, contents, languages, and methods of management. The goal is to develop specific skills in the context of firms' internationalization. The Master uses a mix of methodologies and training techniques: lectures, seminars, case studies, company visits, team work, discussion and drafting of reports, etc.

Admission Requirements

- ⇒ 3 years bachelor
- ⇒ Good knowledge of English language
- ⇒ Strong motivation and passion for the issues related to internationalization or social media marketing

Career opportunities

The program of the executive course includes a compulsory internship of 3 months or more which offers a unique opportunity to put in practice the MIBS subjects directly in the business world and to better understand the process of internationalization. During the internship period participants will also develop a final project work that will combine theory frameworks learnt in class with the internship experience outcome. The MIBS office will support all participants during the internship and the first contact with companies
