Final Transcript of Records

Your LA represents

- -your study plan during the exchange period &
- defines the recognition of the activities upon your return 0 UniPD

#### It is important and it requires precision and attention!

- 1. Start by becoming acquainted with courses & subjects offered by the Host Institution
- 2. Check the timing (semester of offer), content and prerequisites to ensure the subject is feasible
- 3. Find a suitable match with the courses you would have taken if you stayed in Padova

- 1 ECTS at your Host University corresponds to 1 ECTS @ UniPD
- The Erasmus Coordinator (Prof Lodigiani) will review and approve/reject LAs in Uniweb once per week (on Tuesdays)
- LA must be approved by May 10th (if exchange period is Sem 1)
- You are allowed to edit/change your LA in Uniweb only 4 times from your departure until your return: be careful!
- You are entitled to one amendment to your LA by October 30th
- No other change is allowed (except if you are on exchange for a full year)
- We will not accept changes to your LA upon your return (e.g. reshuffling of matches)

#### How to find suitable matches?

Host Universities will not necessarily offer courses that are exact matches of what it is in your **current study plan** @ UniPD

We allow some degree of freedom, but please ensure that:

#### Course @ Host
