Various solutions to finding somewhere to live:
- Our partner housing agent, Moversia, offers a fee-paying ‘welcome package’ helping students to find suitable accommodation in the private sector (includes a pick-up service and administrative formalities (lease, gas, electricity, bank, phone & internet). [aida.gueye@moversia.com](mailto:aida.gueye@moversia.com)
- [http://www.moversia-relocation.fr/fr/contact/](http://www.moversia-relocation.fr/fr/contact/)
- Private Student partner residences (complete list available in the international student guide.)
- Guarantee for International Students: (Visale) [https://www.visale.fr/visale-pour-les-locataires/avantages/](https://www.visale.fr/visale-pour-les-locataires/avantages/) or (Garantme) [https://garantme.fr/en](https://garantme.fr/en)

Expenses
Living expenses including rent, food, other bills, can be estimated at around 610-800€ per month depending on the student’s lifestyle and the type of accommodation rented.
During the first month students will need extra money for rent deposits, connecting electricity, gas, telephone, and various other extras.

Orientation & Integration
All exchange students will have access to an online orientation session and on-campus orientation sessions prior to commencing their studies. The international office staff are easily accessible for any queries or guidance required by international students. Students also have access to many societies providing activities and events in and outside the school.
