Participants are required to book their own flights. Moreover, participants must pay for the BCN International Health Insurance at UMD, in addition to any potential private insurance policies.

Details regarding flight itineraries and insurance coverage must be provided to the International Mobility Service (Department of Economics and Management, Via Bassi 1, fifth floor, room 54) before departure.

Participants will be responsible for their own meals (self-catering or local restaurants). The University of Padova is not responsible for the quality of services purchased for the program (transportation, housing, meals, events, student life, etc.).
