

Practical information for exchange students**ACCOMODATION****➤ In a CROUS university hall of residence**

Rooms are single rooms. Every room in a hall of residence has a surface of 9 m² and is equipped with: a bed, a desk, a washbasin, a cupboard, shelves.

The number of floors and rooms by floor vary according to residences.

However, you will find in every floor, toilets and showers (1 for 10 rooms) as well as a little kitchen where you can prepare breakfast. There is also a common living room or a television room in each residence.

- ✓ Traditional rooms of 9 m² having collective kitchen areas, rooms of work, meeting and relaxation. Toilet blocks on each floor.
Rent 2018-2019: 165.00 € per month
- ✓ Renovated rooms between 9 m² and 12 m², having a privative bathroom. Cooking and space of relaxation on each floor.
Rent 2018-2019: 244.00€ per month

You can choose the kind of room you prefer. Please notice that we advise you to choose the rooms with own bathroom: they are more comfortable and most of the time have been renovated recently, that's why they are also more expensive.
