THE CITY OF CLERMONT-FERRAND

The city of Clermont-Ferrand is in Auvergne Rhone-Alpes Region, the second largest region of France. The city is in the very heart of France on the crossroads between major French cities including Paris to the north, Lyon to the East, Bordeaux to the west and Montpellier to the south.

The city is surrounded by the outstandingly unspoilt mountains of the “Chaine des Puys” National Volcano Park which became a UNESCO world heritage site in 2018. The most famous extinct volcano, the Puy-de-Dome dominates the city. Like the Eiffel Tower in Paris, everyone wants to have view of the Puy-de-Dome from their home or flat.

The Region is extremely popular for the huge range of outdoor leisure activities available including skiing, hiking, mountain-biking, windsurfing, and hang-gliding.

Clermont-Ferrand is also famous for its annual International Short Film Festival which takes every year during the month of February. The city is home to the corporate headquarters of the famous Michelin Tyre Corporation, created by the Michelin brothers more than 100 years ago.

Clermont is a dynamic city offering many cultural activities (festivals, cinema, concerts, theatre, shows, opera), and is a great place to study with a low cost of living and high quality of life.

The greater metropolitan area comprises:

| Population (city and suburbs) | 289 817 |
| Students | 40 000 |
| International Students | 6 000 |
| Graduate Schools (Grandes Ecoles) of Engineering & 1 Graduate School of Management (Groupe ESC) | 6 |
| Major Universities | 2 |
| Full-time Researchers | 6 000 |
| Sports Associations and clubs | 300 |
| Companies (Michelin, Cap Gemini, Airbus, IBM....) | 15 000 |

- **Getting to Clermont-Ferrand**

  Please arrange to arrive on a weekday when offices, agencies and shops will be open if this is possible. If you plan to arrive at night or during the weekend, we strongly recommend that you make a temporary reservation in a hotel or an AirBnB.
ESC CLERMONT BUSINESS SCHOOL

Address: ESC Clermont BS, 4 Bd Trudaine, 63037 Clermont-Ferrand Cedex, France

• History
The School was established over 100 years ago by the local Chamber of Commerce as a response to the growing demand for skilled managers and leaders for expanding industry. The School is still based in the original building, which was first built as a seminary for priests and later became an army barracks before it was transformed into the business school in 1919.

• The Campus
The ESC Clermont BS Campus is in the heart of the city, close to the historic medieval centre. Nowadays there are two main buildings and plans are under way to expand the premises to include a modern annex with state-of-the art facilities for students. Access to the school is controlled through an electronic badge system. This allows students and staff to enter the campus 24/7. Students can make full use of the computer laboratories, classrooms, study rooms, student association offices, and leisure facilities.

The school buildings, known as the “Bansac” and the “Trudaine” Buildings cover around 100,000 square feet (9000 square meters). Approximately half the space is devoted to teaching areas accommodating groups ranging from 8 to 400 participants.

• Finding your way around the campus:
Once you know the system, it is easy to find your way around the campus. Classrooms and offices on level 1 start with “100” those on level 2 start with “200” and so forth. Rooms with numbers of over 50 (e.g. room 250) can be found in the more recent “Trudaine” building. Any room with a number below 50 (e.g.124) can be found in the historical, “Bansac” building. You cannot move between the Bansac and the Trudaine buildings on the third and the ground levels. You must use the staircase first. Reduced mobility students have priority access to lifts in both buildings.

• Accreditations - AACSB / AMBA / EFMD Bachelor/ French Ministry of Higher Education and Research
ESC Clermont Business School is one of the 20 French Grandes Ecoles of Management with three international accreditations; the AACSB obtained in 2006, the EFMD Bachelor in 2019, and AMBA, received in 2020. The Master in Management and Bachelor in International Management Programs are both recognised by the French Ministry of Higher Education and Research.

The AACSB The American association AACSB evaluates the quality of business schools. Its accreditation or label is awarded for a period of 5 years, following several reports and audits by experts on the spot. The main criteria are the academic level of the teachers (60% of them must be teacher-researchers), the scale of the resources used and the relevance of the teaching approach. It thus guarantees good teaching,
good supervision of students, and a high-quality teaching staff. Accreditation applies to all of the School’s programmes. Finally, a distinction must be made between membership of the AACSB association and obtaining accreditation, which is the result of a process and meets precise specifications.

EFMD Bachelor
EFMD Bachelor is a European accreditation issued by EFMD with more than 200 accredited programmes in 36 countries. The EFMD Bachelor accreditation assesses the quality of a programme by means of an expert report and audit. It is obtained by meeting a certain level of requirements in terms of numerous standards such as international openness, relations with companies, pedagogical support and the integration of Corporate Social Responsibility (CSR) issues.

AMBA
The ESC Clermont Business School is AMBA accredited for its Master Grande Ecole programme and the Executive Master in Management – MBA. This accreditation is issued by the Association of Masters of Business Administration, the UK accreditation agency, which audits postgraduate and MBA programmes. AMBA therefore recognises the excellence of the Master Grande Ecole Programme and its continuing education version, the Executive Master in Management. The AMBA label is held by 260 institutions worldwide.

**The International Office**
The International Office can be found on the 3rd level of the “Bansac” building (rooms 316-319). The main mission of the international office is to develop and maintain partnerships abroad, recruit international students, manage the international mobility of ESC BS students, and promote internationalisation within the Business School. The International office works closely with the other main Institutions of Higher Education in Clermont - UCA & Associates including the University of Clermont Auvergne, L’Ecole Nationale Supérieure d’Architecture, SIGMA Clermont, & VetAgro Sup, to promote educational activities and programs at an international level and provide the best experience possible for international students in Clermont. The ‘Study in Clermont’ campaign receives funding from the Auvergne Rhone-Alpes Region.

MSc Programmes
• **International Student Admission**

International Students can apply to the school in various ways. French-speakers, with a French qualification can access the ESC Clermont BS Programs via the French Management Schools’ entrance exam system. Non-French speakers, who have graduated abroad may apply via the International Recruitment Procedure. International students can also enter the school as part of an exchange program either as a credit-seeking or a degree-seeking student. For detailed information, about entry to the school, please contact the international office or the international office. International exchange students should first get in contact with the international office of their home institution for more information and details of the selection procedure.

**COURSES & ASSESSMENT**

• **Academic Calendar – Dates of Term**

The dates of term, holiday dates, application deadlines, and orientation sessions for the different programs will be included in the information package.

The school’s academic year runs from the beginning September to the end of May. Some programs start later than others. The academic year is split into two semesters:

The first semester runs from September to December and ends the week before the holidays. The last week is dedicated to final exams.

The second semester runs from the beginning of January to the end of May. Some programs may finish earlier.

The main holiday periods are as follows – 1 week at the end of October/ beginning of November – 2 weeks at the end of December / 1 week in February / 1 week in April. Again, the exact holiday dates will be provided with the information package.

• **The ECTS Grading System**

The ECTS Grading System is used throughout Europe and aims to facilitate cooperation between universities in the European Union. The ECTS sets out an effective way of simplifying academic recognition between European educational institutions. It aims to create transparency between different programs and curricula followed by students. This allows the transfer of equivalent credits from one institution to another.

Full academic recognition is a “sine qua non” condition for student mobility in the framework of the Erasmus programs. Full academic recognition means that the study period abroad (including examinations or other forms of assessment) replaces a comparable period of study at the home university (including examinations or other forms of assessment), though the content of the agreed study program may differ.

The number of ECTS credits allocated to a course define the student workload required for its successful completion.

• **Award of ECTS Credits**

ECTS credits are a numerical value (between 1 and 60 credits) allocated to a course to define the student workload required for its successful completion. They reflect the quantity of work each course unit requires in relation to the total quantity of work necessary to complete a full year of academic study at the institution; that is, lectures, practical work, seminars, tutorials, fieldwork, private study and examinations or other assessment activities. ECTS is thus based on a full student workload and not limited to contact hours only.

ECTS credits specify how much of a year’s workload a course unit represents at the institution or department allocating the credits. In the ECTS system, 60 credits represent the workload of an academic year of study and 30 credits, a semester. ECTS credits ensure that the program will be reasonable in terms of workload for the period of study abroad.

Learning Agreement – Choice of courses
Exchange students from partner institutions are required to complete a learning agreement (LA) which is a list of chosen courses for the semester or academic year. The LA must be approved by the faculty advisor in Clermont as well as the person in charge of the study period at the home institution.

Faculty Advisors (Exchange Students)
Your faculty advisor is available to answer your academic queries, advise you with your course choices, and offer academic guidance throughout your studies. Please contact your faculty advisor by email when you are in the process of choosing your courses.

Exams and Course Assessment
At the end of each semester, final exams will be organized. The final grade for each course can be based on the final exam, continual assessment, individual or group assignments and presentations as well as active participation in class. Each professor will decide on the
percentages given to each component of the final grade.

- **Grade Transcripts – Academic Records**
  International exchange students will receive a copy of their grade transcripts as soon as all the grades have been entered into the system. Once validated, an official copy will also be sent to the student’s home institution.

### ADMINISTRATIVE FORMALITIES

To study in France, you will have various administrative procedures to complete to comply with French immigration laws and be officially registered as a full-time student at the ESC Clermont BS. Checklists are provided below to guide you through the various steps.

- **Visa Application**
  **European Students**
  Do not require a visa to enter France. A valid ID card or passport is sufficient.

#### Non-European Union students
For a study period of over three months in France, non-EU students must apply for a visa via CAMPUS FRANCE. You can find all the information about applying for a student Visa on the Campus France website. [https://www.campusfrance.org/fr/visas-et-cartes-de-sejour](https://www.campusfrance.org/fr/visas-et-cartes-de-sejour)

This is a simple and quick procedure. Take the following items with you and visit the link below. [https://administration-etrangers-en-france.interieur.gouv.fr/particuliers/#/]

- Valid email address
- Your visa in your passport
- Date of arrival in France (immigration services stamp on passport)
- Address in France
- Credit card

- **Visa Renewal**
  Students who will study for more than one year in France will be required to renew their visa the following September. Visas that expire during the summer will be subject to a temporary “summer” visa extension ‘recepissé d’été’ which should be applied for visa the CROUS Espace Accueil Etudiants welcome desk. The international office will provide you with information about this procedure.

- **RECE Visa extension for work experience after graduation**
  Please note: Students graduating from a master’s degree Program are eligible for a 1-year extension to their visa to stay in France to obtain work experience. The type of residency permits to apply for is the “RECE card” « Recherche d’emploi/creation d’entreprise »

An official certificate of successful degree certificate will be required. • Student Cards, Enrolment Certificate, Login & Email Account
After completing your registration procedures, you will receive the following:

- Student ID & login to access all IT resources
- A Student Card
- An Enrolment Certificate or proof of registration as a full-time student of the School. The “Certificat de Scolarité” is required for all kinds of administrative formalities such as opening a bank account or applying for the residency card. The student card is also useful to obtain discounts (buses, cinemas, theatres ...).

Please note: The school premises are accessible 24/7 with the student card

• CVEC State Student Services Tax
Fee-paying degree-seeking international students will be required to pay the State Student Services fee (non-fee-paying and non-degree-seeking exchange students (i.e. Erasmus students) do not have to pay this fee. The tax to be paid is approximately 90-95 euros per academic year.

• CROUS Student Services
Student state student services are managed by the CROUS. The main CROUS services are to be found at 25-30 rue Etienne Dolet, 63000 Clermont-Ferrand. The CROUS hosts the Student Welcome Desk, a Student Medical Center and a Student Housing Service (Please note that ESC Clermont BS has its own housing service). The CROUS manages the student refectories and cafeterias around the city. See the section entitled “A-Z of useful information” for details.

You will find complete information about the CROUS student services in the guide available at the following link:
https://usine.crous-clermont.fr/international/espace-daccueil-etudiants/student-welcome-center/

• Health Insurance
Non-European international students are legally required to register with the French Health Insurance. This is completely free of charge. European students are automatically insured in France with their European Health Insurance Card.

French health insurance enables you to claim reimbursement for a major part medical expenses if you get sick. We strongly recommend that you purchase an additional optional complementary insurance (see below). In all cases, we also highly recommend that you arrive in France with a private travel insurance which will cover you in case of accident until all your registration formalities have been completed and you have insured your accommodation. (A liability insurance will be included in your house insurance).

Documents required: All non-European students should bring an officially certified French translation of their birth certificate with them. It costs around 50-60 euros to have this document officially translated in France so it might be cheaper to have this translated in your home country and approved by the French consular authorities when you apply for your visa.

A video tutorial of how to register for the French Health insurance is available in French and in English on the Campus France website: https://www.campusfrance.org/en/healthcare-student-social-security

• Additional Health Insurance ("Mutuelle")
It is advisable to purchase a complementary student health insurance plan known as a ‘Mutuelle’ at the beginning of term. The French Health Insurance will cover around 70-75% of medical expenses. This is fine if you do not visit the doctor very often. However, a more serious condition requiring specialized medical attention, specific exams, and tests, can become expensive and may not be fully reimbursed by the basic French Health Insurance. The ‘Mutuelle’ will cover the remaining 30 to 35% of medical expenses according to the type of plan that you choose. The main student complementary health insurance companies are HEYME, LMDE and the SMERRA offering different levels of coverage at different rates.

Please note:
The administrative service will require proof that you are registered for the French Student Health Insurance and or that you have your European Student Health Card.
CAMPUS FACILITIES AND DIGITAL RESOURCES

- **IT Resources**
The ESC has an ethernet network, using optic fibers and a high-speed line for accessing the Internet and Intranet from anywhere in the world. The campus is fully equipped with a high-speed wireless network. Students will be given confidential access codes when they arrive.

- **Student Account & Class Schedule:**
- **Koneksi**

- **ESC Clermont Student Email:**
  Information from the School's administrative services, associations and faculty will be sent to this address. It is important to check this daily:
  - 24/7 (no ‘visitors’ are allowed on the premises after opening hours)
  - Your ESC Student login and email address.
  - (Personalized schedule access, and course information) Please check your schedule and account daily as information is updated regularly.

The LMS Educational Portal
[https://lms.esc-clermont.fr](https://lms.esc-clermont.fr)
The school’s Student LMS Portal provides students with access to all the information related to the courses you are following, including assignments, reading materials and course presentations.

- **The 'ENT' Digital Workspace -**
  [http://ent.esc-clermont.fr](http://ent.esc-clermont.fr)
The ENT is the school’s intranet which provides information about the School’s facilities, programs, information about student and academic life as well as the academic rules. You will also find detailed information about the “Joblab” (work placements), the “Infolab” (documents, digital resources, company databases, statistics market studies, e-books, and magazines), as well as the ‘Squarelab’ School Incubator.

- **The ‘Infolab’ Resource Center**
The Infolab is the ESC Clermont Group's documentary and digital resource center, providing support to students throughout their studies as well as individual and group workspaces and research tools. You can access the center from the ground level (car park entrance).

- Economic and financial databases: DIANE, ORBIS...
- French-speaking, international and professional news articles: EUROPRESSE, INDEXPRESS...
- Market Databases, Statistics: XERFI, ABI COMPLETE, STATISTA...
- E-book libraries: DAWSONERA, SCHOLARVOX...
- Books, magazines, newspapers in paper version, studies: ALEXANDRIE
- Academic journals: CAIRN, SALES & MANAGEMENT
- Platforms dedicated to students and teachers: LMS, ENT

The Infolab contributes to the integration of students into professional life through the learning of information skills. Access is free for students, teaching and administrative staff of Groupe ESC Clermont.

Full details can be found on the intranet and in the 'Infolab' documentation center.

- **The ‘SquareLab’ Incubator**
The school’s incubator, or ‘SquareLab’, was created in May 2015. The incubator provides workspace and educational support for students or local businessmen with their start-up or takeover project.

In concrete terms, the incubator provides, in addition to a coworking space, training, coaching, practical workshops, a network, help in finding funding, a "startup mindset" focused on innovation and sharing of experiences. It is an ecosystem that encourages the creation of innovative companies, leaders in their market, by supporting and stimulating the entrepreneurial spirit of project leaders.

Before returning to your home country please remember to:
- Return any books you have borrowed from the Infolab.
- Get your paperwork signed - European students normally require a certificate of attendance to be signed by the host institution before their departure to get their Erasmus Scholarship. The International Office can sign these documents for you.
- Make sure that you have terminated your utility contracts and that you have made the
arrangements with your bank to close your account.

STUDENT LIFE, ASSOCIATIONS AND SOCIETIES

At the ESC Clermont BS we take a great pride in our ‘family spirit’. We highly recommend active participation in associations and help our students to do so by providing offices for associations on the school premises, equipment, coaching, tutoring, etc.; Student associations play an essential part of campus life and help students to develop important skills including teamwork, and leadership.

A complete list of the ESC Clermont BS student associations is available on the website. Here are the main ones – you can find full details on the ESC Clermont BS website.

Start-Up Academy - Aspiring entrepreneurs will have access to brainstorming, coaching sessions and help you to work on your start-up project.

FINANCES: COST OF LIVING & FINANCIAL AID

Clermont-Ferrand is known as being one of the most reasonably priced cities for students. Generally, accommodation is cheaper than many major student cities and students can easily find accommodation close to the city center in walking distance from the school.

Living expenses including rent, food, other bills, can be estimated at approximately 600-1050€ per month depending on the student’s lifestyle and the type of accommodation rented. During the first month you will need extra money for rent deposits, connecting electricity, gas, telephone, and various other extras. You are strongly advised to open a bank account as soon as you arrive in France and to deposit/wire enough money to cover all these initial expenses. The estimated cost of living per month is calculated according to the following information:

- **Tuition and Fees**

A minority of international students are exempt from fees as they are participating in a reciprocal exchange program with one of the ESC’s partner institutions. These are generally Erasmus students who are enrolled for one semester or more to gain ECTS credits or as part a dual degree program. Their fees are paid directly or indirectly via parent’s taxes to their home institution.

Fee-paying students will receive a financial contract from the school’s administrative services which gives details of the total annual fees and the chosen payment method (in full, by regular instalments). The contract should be completed and co-signed by your financial guarantor (next of kin, bank) before returning it to the administrative services.

Annual fees include tuition, access to the premises, facilities and digital resources of the school, individual career coaching, membership to the Alumni Association.

Fees can be paid by credit-card or by wire transfer. You can visit the account’s office number 223 (second level, “Bansac” Building).

- **The ESC Clermont Business School Foundation Scholarships:**

Full details about the various types of financial aid available to students is available on the school’s website. The Administrative Service will send details of how to apply for the ESC Clermont BS scholarships at the beginning of the academic year.

**The Social Scholarships Award:** The Social Scholarships Award contributes either partially or totally to financing tuition fees for students enrolled in one of the ESC Clermont’s programmes, according to various criteria: financial, social, academic, and behavioural (attendance, motivation, involvement).

**Mobility Grants:** Mobility Grants are based on academic and social criteria and are awarded to
students enrolled in their final year of the Master Grande Ecole programme and who are participating in a double degree program at one of the ESC Clermont Business School’s partner universities in North America, South America, Asia-Oceania, and Europe. They aim to encourage and support our students’ international experiences.

The Emergency Reserve Fund: This reserve fund is intended to provide exceptional assistance to students who are suddenly confronted with emergency situations.

- ALS – Government Housing Benefit

Your rent may be significantly reduced by applying for the housing benefit called ‘ALS’. To be eligible you must deal with all your other administrative formalities first! (Residency permit, bank account etc.). However, once your claim is accepted you will receive back-payments from the second month onwards. ALS housing benefit can be claimed on the CAF website.

**Caisse d’Allocations Familiales**
BP 100, Rue Pélissier, 63032 Clermont-Ferrand.
www.CAF.fr

Useful information is available on the campus France website:

The Student Housing Service (Moversia) or the ISC Association can help you with your ALS application at the beginning of the year.

**Documents required to apply for the ALS housing benefit:**
- ALS application (available on the www.caf.fr website)
- Official details of bank account (to have the payments directly transferred to your account)
- Proof of income for the previous two years or scholarship
- School enrollment certificate
- Photocopy of passport
- Photocopy of residency permit (obligatory)
- Copy of birth certificate translated into French

Please note that it is not possible to ask for the ALS if you are staying for 1 semester in particular if you do not have a long-term visa that can be renewed in France.

- Opening a French Bank Account

Students are advised to open a bank account in France. This is inevitable if you are applying for housing benefit or claiming reimbursement for health expenses. Wiring large sums of money from abroad will save you a lot of money in the long run. Bank charges for cash withdrawals can be expensive. To open a bank account, you will require the following documents. The ESC partner agency ‘MOVERSIA’ for welcoming and housing students can help you to open a bank account with its partner bank.

**Required documents:**
- Valid passport or residency permit
- Proof of address in France - copy of your lease or rent payment receipts
- Proof of registration at the ESC Clermont BS

Once you have opened your account you should ask your bank to provide the following documents:
- A checkbook
- A bank debit card which you can use to pay for shopping, services or withdraw money.
- R.I.B. (“Relevés d'Identité Bancaires”) slips showing the bank account information required for administrative procedures.

Some of the main banks in Clermont-Ferrand:
- HSBC – Place de Jaude
- Banque Nationale de Paris (MOVERSIA’s partner bank)
- Crédit Agricole
- Crédit Lyonnais
- Banque Populaire
- La Poste (French Post Office)

**ACCOMMODATION AND HOUSING**

**START YOUR SEARCH EARLY!**

**The Moversia Welcome Package**

ESC Clermont BS has been working closely with a partner housing agent; Moversia since the company was launched by an ESC Clermont BS alumnus back in 2005. As the number of international students steadily increases from year to year, we are working on reinforcing this partnership.
Moversia is currently providing a complete housing package free of charge to all full-fee-paying international students enrolled at the ESC Clermont.

Moversia’s welcome package includes a made-to-measure housing search in private accommodation, or student residences according to your budget and preferences, as well as assistance with administrative formalities such as the housing benefit application, internet connection, opening a bank account and a pick-up service at the train station or the airport.

The package is currently a fee-paying service for exchange and reduced fee-paying students. The package may seem expensive in the beginning; however, the service enables students to pre-book and integrate their accommodation as soon as they arrive. They thus avoid extra hotel and agency fees and save valuable time and energy. Do not wait until the last minute to contact them.

*The Welcome Package is not compulsory, but highly recommended for international students who do not speak French. Contact details:*

• Climate

The climate of Clermont-Ferrand is temperate, cold in winter and warm in summer. The weather can be extremely variable from one day to the next whatever the season. You need to bring layers to suit all kinds of weather. An autumn day can have a chilly start and become quite hot as the day progresses. You should have a warm jacket for the winter and rain protection for the rest of the year. The coldest month of the year is the month of January when temperatures can drop on average to as low as -10°C or less. Summers (July and August) are hot and dry (30-35°C). Please note that air-conditioning in France is not always available.

Guidance will be given by the school’s ‘JobLab’ to help students with organising their search for their ideal placement.
In case of an Emergency

EMERGENCIES

- **How to report an emergency:**
  - When you report an incident and call the emergency services you should remember to stay online until you are told to hang up
  - Give your name and your address or a description of the locality so that they can find you easily.
  - Describe the accident/incident/state of the victim and answer the questions as clearly as possible.
