

Thesis process _ Fact sheet a.y. 2021-2022

Subjects:

- mid October 2021: dSEA International Office finds out the dSEA supervisors that will be available to start working to the thesis with DD students starting from Winter 2021;
- beginning of November 2021: Padova students communicate to the dSEA International Office their preferred study area for the thesis research, in relation to the proposed supervisors;
- the selected subject will be communicated to ESC and the final dissertation will be held in Padova only. Once graduated in Padova, the final grade will be communicated to ESC for the French diploma.

Timing:

Option A) Students end the thesis work **before mid October 2022**

In this first case, ESC degree jury will evaluate the thesis in November 2022. The degree ceremony will be in April or May 2023.

Option B) Students end the thesis work **after mid October 2022**

In this second case, you can graduate in Padova in December 2022 or in the following session of 2023. In ESC the degree jury will evaluate the thesis in 2023 and the degree ceremony will be in 2024.
