## WELCOME TO THE DEPARTMENT OF ECONOMICS AND MANAGEMENT

The Department of Economics and Management is the youngest Department of one of the most ancient European universities: the University of Padova, whose origin dates back to 1222. The Department was founded in 1990 and soon became a leading center in the higher education in business and economic sciences, benefiting of the advantages of a young and

motivated organization inside a glorious tradition.

Many agreements have been drawn with other academic institutions all over the world, and the Department provides for all its students a training period in private firms, public institutions, research centers, and non-profit organization.

## THE DEPARTMENT OF ECONOMICS AND MANAGEMENT IN A NUTSHELL

# #1

**For the 10 years in a row the Department of Economics and Management ranked in the first three position among Italian Universities in terms of the overall quality.** The ranking takes into account several dimensions: quality of teaching, students' placement and research excellence.

# #1

**In 2014 Censis ranked University of Padua as the top University in terms of scientific productivity.**

# 12%

**In 2015 about the 12% of students regularly enrolled are involved in mobility programs.** Incoming students come from more than 50 countries and we have more than 80 International partners. About the 25% of our outgoing students continue the exchange period with the internship abroad and about the 20% of incoming students are supported to find an internship into Italian companies.

# 700

**The dSEA has agreements with Industry Partners ranging across all areas of businesses (financial sector, consultancy & auditing, industrial and retail companies, High-tech firms).** These cover 18 countries internships abroad, 500 average number of training agreements per year.
