

## ERASMUS+ AT GLASGOW - APPLICATION - FREQUENTLY ASKED QUESTIONS

### **Q. Can I submit my application form, and then add my supporting documents later?**

**A. Yes.** Your application acknowledgement email from our system will tell you how to do this through the 'Admissions Self-Service module'. Please note that our Admissions Team will not be able to make a final decision on your application until you have uploaded all of the required supporting documents listed in the application guide.

### **Q. Do I really have to provide evidence of my English Language ability?**

**A. Yes.** This is required of all incoming Erasmus students. Please read the Application Guide and the information on Language Requirements at:

<https://www.gla.ac.uk/study/visiting/studyabroadexchange/erasmusstudy/languagerequirements/> to see which option applies to you.

### **Q. Do I need a student visa to come to Glasgow?**

**A.** If you are an EU, EEA, or Swiss national/citizen: You do **not** need a visa to come to Glasgow.

If you are not an EU national or if you will be travelling on a non-EU passport: You **do** need a visa. We will be in touch with you after you have been accepted to advise further. Further information can be found here:

<http://www.gla.ac.uk/international/support/before/studentvisa/>

### **Q. When can I apply for University accommodation?**

**A.** You can apply for accommodation at Glasgow **after** you have been accepted.

Further information on accommodation will be included in your formal acceptance letter.

See the [Erasmus Accommodation Admissions Policy](#) for further information. Please note University Accommodation is not usually available for students coming to the University of Glasgow for Semester 1.

### **Q. When do I get my Learning Agreement back?**

**A.** We will send you a **provisionally** signed copy of your Learning Agreement back by email in July for students who are arriving in September or in December for students who are arriving in January.

Your Learning Agreement will include feedback from your departments here on which courses could be approved for you and any courses for which an alternative may need to be found.

#### **Please note:**

We are unable to guarantee courses for students in advance as some courses might be oversubscribed, some do not run every year, and at final enrolment, there may be timetable constraints. However, if this is the case, every effort will be made to find suitable alternatives.
